**PRAYERLETTER**

Once again we are grateful to the LORD for His multiple blessings. We thank you as well. Your prayers and financial support are vital to the ministry. We count it a privilege to be your representatives on the front line of missions, reaching lost souls and helping establish churches on the field. **THANK YOU!!!**

As you know I was privileged to be in Nicaragua along with Dr Bob Dayton the last week of January and the few week of February. The trip was divided between evangelistic meetings in Puerto Cabezas and a conference for key young men from several churches in Managua and other parts of Nicaragua. As is often the case I was privileged to preach in both situations. The nationals worked hard and God blessed with **over twenty people coming to receive Christ as Savior.** I rejoice with the pastors and Bro Dayton as a good number of young men surrendered to prepare for fulltime Christian service in the Bible Institute in Managua. I am not sure of the exact number but I believe there were over thirty. **GLORY TO GOD AND THE LAMB!!!**

Dr Randy King, the pastor of the Wyldeewood Baptist Church in Oshkosh, WI was with us. Pastor Jeff Johnson of the Spanish ministry (averages about 700 in the Spanish ministry) at Gospel Light Baptist Church in Walkertown, NC was also on the trip. God used these two men as well as the national pastors who preached in a Christ honoring Holy Spirit anointed way. I count it a privilege to translate some for Pastor King and, of course, Jeff is able to preach in Spanish. The national pastors and young men present were blessed by the powerful preaching of these men.

Brother Dayton and I are working with the young Nicaraguan missionary couple in Puerto Cabezas to assist them in setting up a Bible institute. Missionary pastor **Douglas Duarte will begin classes for the members of the church that desire to study and prepare to serve the Lord.** A young man named Geovanni from the Iglesia Bautista Jerusalén surrendered to the ministry on Monday night when I preached. Lord willing he will be one of the first students. I ask you to pray for this ministry and these precious folk. **Daniel Segovia will be working with Douglas in this effort.** Daniel is a graduate of the institute in Managua and is, by faith, seeking to establish the second church in Puerto Cabezas. **Daniel has stepped out by faith and already has about 15-20 people** in the new ministry in the Loma Verde section of town. **Please pray for his needs to be met.**

Patsy is pretty well recovered from the gall bladder surgery. **We thank God for HIS blessings.** Thank you for praying. The Lord sent a special gift that helped us with the medical expenses not covered by insurance. **We are grateful to HIM but also to HIS people for their generosity to us.**

We hope to send some photos with this letter.

God bless you.
